## **BARRIER REEF SNORKEL**

5 HOURS • SKILL LEVEL: NOVICE

The second largest barrier reef system in the world, the Belize Barrier Reef, is a sight to behold. Snorkel among delicate sea fans, colorful tropical fish, and impressive corals. This excursion includes two separate snorkels with experienced guides who make sure you are comfortable in the water.

## **DISCOVER SCUBA**

FULL DAY • SKILL LEVEL: BEGINNER

While not a SCUBA certification, this program will allow you to safely dive with an instructor to get a taste of what diving is all about. This introductory dive lesson takes approximately two hours with a certified PADI instructor. Once comfortable in the water, you'll explore the reef together, diving to a maximum depth of 40 feet. This is perfect for trying diving before committing to a full certification course.

## **OPEN WATER REFERRAL - PADI SCUBA CERTIFICATION**

MULTI-DAY • SKILL LEVEL: BEGINNER

Prior to your vacation, complete the knowledge development and pool sessions at your local dive shop. Once you're in Belize, we'll spend two days finishing your open water dives. Leave Belize with your PADI certification and a few completed dives along the largest living barrier reef in the world.

## **BARRIER REEF DIVE**

5 HOURS • SKILL LEVEL: NOVICE

A trip to the Belize Barrier Reef is suitable for both novice and experienced divers, with dive sites ranging from 35-65 feet deep. Each drift dive allows you to relax and enjoy the mild current as you dive along multicolored walls and steep ridges teeming with remarkable sea life. This is a short, two-tank day.

## **TURNEFFE ISLANDS**

FULL DAY • SKILL LEVEL: NOVICE

About an hour and a half away, Turneffe Islands offer a wide variety of slopes and shear wall dives. This is a three tank day. Marine life viewing is greatly impacted by the currents around the islands, bringing schools of large fish. The first dive is "The Elbow" at about 80 feet which sometimes has strong currents.

## **GLOVER'S ATOLL**

FULL DAY • SKILL LEVEL: NOVICE

An hour and a half boat ride gets you to the least explored atoll in Belize named by Jacques Cousteau as one of his favorite dive sites. Wall diving from 40-60 ft offers the chance to see all kinds of rays, turtles and rivers of wrasse swimming along stunning coral structures at this United Nations World Heritage Site. This is a long, three-tank day.

## **BLUE HOLE & LIGHTHOUSE REEF**

FULL DAY • SKILL LEVEL: ADVANCED

Hop on the Belize Underwater boat to Lighthouse Reef for a three-tank dive day. Well known as one of Jacques Cousteau's top dive destinations, Great Blue Hole National Park is a sight to behold for snorkels and divers alike. This is a very deep dive that reaches the limits of recreational SCUBA diving, and is suitable for intermediate and advanced divers with at least 25 logged dives. For safety purposes, all divers joining Belize Underwater for a trip to the Great Blue Hole must schedule a "check out dive" prior to departure. Snorkeling the Great Blue Hole is an equally exhilarating experience for non-divers, or divers that don't meet the deep dive qualifications. After exploring the Great Blue Hole, you visit two additional sites in the Half Moon Caye National Monument to complete this great adventure.

You'll hike to the location, wade across rushing rivers in waist-deep water, climb wet ladders inside a cave in just your socks, then enter a deep, dark hole in the side of a mountain because a tour guide told you to (and maybe pee yourself a little – but that's okay!). You’ll even get to help cook (and enjoy!) a traditional Maya meal. The traditional meal that will be served is chicken, prepared only with organic seasonings including recado, cilantro, and culantro.
